PETITION UNDER 37 CFR 1.84(a)(2)

Dear Examiner:

Applicant respectfully requests allowance of color photographs in the Figures of the present utility application. Applicant desires that the structures illustrated in Figures 5 and 6 be seen in perspective. Applicant notes that color photographs capture the three dimensional nature of the structures better than line drawings and black and white photographs.

Applicant has included payment for the \$130.00 fee set forth in § 1.17(h).

Applicant has included three (3) sets of color photographs for each of Figures 5 and 6 and a separate black and white copy of the same.

Applicant has amended the specification in the response filed herewith to include the language prescribed under 37 CFR §1.84(a)(2)(iii).
